

Commissioner of Brihanmumbai Municipal Corporation (BMC) Ajoy Mehta and a team of civic officers visited the Saifee Burhani Upliftment Trust (SBUT) to take stock of the Bhendi Bazaar redevelopment project. Mehta was all praise for the efforts and planning done by SBUT to undertake this ambitious redevelopment project in the city. He further assured full support from his department on fast-tracking the approval processes. Sources in BMC said that during Mehta's visit, he also interacted with the residential and commercial tenants and was impressed with the way the residential and commercial transits were built and maintained by the Trust
