

Narendra Modi

Praise for Bhendi Bazaar project

Mumbai: The Bhendi Bazaar redevelopment project of Mumbai on Friday came in for praise from the Centre at a function where Prime Minister Narendra Modi launched three mega flagship schemes that seek to transform urban India. The project that aims to transform Bhendi Bazaar was showcased and identified as the 'national best practice project for inner city redevelopment' by the Centre, said the trust that is implementing the ₹4,000-crore plan. Union urban development minister Venkaiah Naidu said the project undertaken by the Dawoodi Bohra community to redevelop Bhendi Bazaar is a perfect smart city prototype. —PTI
